

### REMARKS

Claims 9 to 13 and 15 have been rejected under 35 U.S.C. Section 103 as being unpatentable over Bulzomi in view of Oatman or Latzke and claim 16 has been rejected under 35 U.S.C. Section 104 as being unpatentable over Bulzomi in view of Oatman or Latzke and further in view of Terry.

Applicant has amended claim 9 to include limitations set forth in the specification but not earlier included in claim 9. Applicant believes the added limitations distinguish the present invention over the cited references and render claim 9 allowable. Claims 10-13 and 15 and 16 being dependent on claim 9, applicant believes that these claims are also now allowable.

Applicant has added claims 32-36 as independent claims, each adding additional limitations from the specification which applicant believes further distinguish the present invention over the cited references.

Finally, applicant has added claims 37-42 because the cloth in itself is unique.

Therefore, Applicant respectfully requests allowance of all claims as amended, resubmitted and/or added.

Enclosed please find a check in the amount of \$387.00. Should a fee deficiency have occurred, please charge Deposit Account No. 50-1971 per 37 C.F.R. § 1.25.

Enclosed please find Attorney's Change of Address.

Respectfully submitted,
